1) In connection with the extension to all the Boards of the privilege of electing non-official Presidents, it seems worth while considering whether similar privileges may not be extended to a fair number of Municipal Councils.

2) Please put up statements showing the Municipalities which have the privilege at present and consult Deputy Commissioners of Districts as to what places the privilege can be extended in the near future within the current year.

(5) Replies from all the Dy Commrs have been received The D Cs of Bangalore and Kolar consider that the Municipal Councils of Anekal, Doddaballapur and Malur may have non official Presidents The D C of Chitaldrug considers that the question of having non official Presidents to Chitaldrug and Davangere may be taken up next year. The files relating to the Constitution of Anekal, Doddaballapur & Malur Municipal Councils are put up to Govt are in favour of appointing non official Presidents to the Municipal Councils of Anekal, Doddaballapur & Malur, it may perhaps be desirable to extend the privilege of electing the President at the time of the next reconstitution of these Councils and to appoint by name one of the existing non official Councillors in each of these Councils as President till the Councils are reconstituted. In the case of Anekal, Mr B Srinivasa Iyengar is the Vice President and the question of appointing him as President may perhaps be considered If agreed, the Dy Commrs may perhaps be consulted as to the gentlemen they propose to nominate as Presidents for these Municipal Councils

Sir,

With reference to your letter No. L. 3775-82/Ml.214-29-2 dated the 28th November 1929 requesting me to intimate as to what Municipalities in this District, the privilege of electing non-official Presidents may be extended &c., I have the honor to state that considering the personnel of the Municipal councils of this District, there are only two municipalities - Davangere and Chitaldrug - that could be given the privilege in question. But the Municipal council of Davangere have undertaken a large number of Town Improvement works and to work them out satisfactorily official control is necessary for some time. So also is the case with Chitaldrug. I am therefore of opinion that the question of extending the privilege to these Municipalities may be taken up next year.

SIR,

NON-OFFICIAL PRESIDENTS -- MUNICIPAL COUNCILS -- ELECTION EXTENDING PRIVILEGE.

****

In reply to your letter No.L.3775-82/ dated 28th November 1929, on the above subject, I have the honor to state that I have consulted the Sub Division Officers and considered the matter since the Dasara Session, in the light of the present conditions and also consulted some prominent members of certain Municipal Councils individually. I am of the opinion that in view of the elaborate provisions of the Municipal Regulation and the volume of administrative business to be got through in respect of a Municipality, and also the lack of adequately educated progressive and broad minded persons commanding adequate support in the several towns of this District and in view of the vigorous policy of Town Improvement which is now on the programme of the Government, it is inopportune to extend the privilege to the Municipalities generally for the present.

A beginning may however be made by conferring the privilege on the Kolar Municipal Council during the current year where the chances of harmonious working under non-official guidance are the greatest.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District.

With reference to your letter No. L. 3775-82/Ml. 214-29-2 dated the 28th November 1929 in re· grant of privilege to the Municipal Councils to elect their own non-official Presidents, I have the honour to state that it is only the Hassan Town Municipal Council that is enjoying the privilege at present. Except the Holenarsipur Town Municipal Council, who have been agitating for the franchise for some years past, there is no move from any of th other municipalities of this district. In regard to the request of the Holenarsipur Town Municipal Council, for the privilege, I invite reference to the correspondence ending with your letter No. L. 8084/Ml. 75-27-20 dated 11th May 1928, from which it will b seen that the Municipal Council not having agreed to the appointment of a Chief Officer, the Government directed that the matter might lie over for the present. From my own observations during -- inspections of the municipal offices and from the Comptroller's audit notes, I find that the affairs of the Municipalities are very bad and require careful and intelligent handling before matters could improve. More than all, the finances of the Municipalities are very much neglected and the collection of revenue is very slack. In this connection, I may mention that even the Hassan Town Municipality to which the franchise was given many

years ago has not been working properly and the Government have since, in their order No. L. 1553-54/Ml. 235-28-118 dated 29th August 1929, been pleased to sanction the appointment of a Revenue Officer to look after its affairs which are in a deplorable state.

In these circumstances, I personally feel that it is very necessary to leave the administration of the Municipalities in the hands of the Ex-officio Presidents for some time more, and the question of conferring the Municipal Councils with the privilege of electing their own non-official Presidents in this district be dropped for the present.

I have the honour to be,
